

CANTEEN HELPERS NEEDED

No Experience Necessary

Share information and laughs while contributing...

Parents can quickly become part of the Balcatta SHS community by working in the school canteen.

Our canteen is run by the P&C. Our primary objectives are to:

- provide a safe, healthy and affordable food service to our students, staff and visitors
- encourage students' awareness of healthy food choices
- create funds to be used for school-related purposes as determined by the P&C

Essential to our success:

- A professional, profitable canteen service only because parents volunteer.
- The P&C Canteen is always looking for ways to improve the canteen's menu and service.

All contributions are valuable:

- Parents are very welcome to volunteer to work in the canteen as often as they wish.
- Most choose once a month or once a term and some are on call as a last-minute fill-in.
- Any help is always greatly appreciated.

Your children get to eat FOR FREE on the days you volunteer.

Where:	Balcatta Senior High School
When:	On a day to suit you
Time:	10.30 am to 2.00 pm (approximately)

We would love to have as many parents as possible become part of our canteen "family" to help support your child/children and the school.

Please complete the form below and return it as soon as you are able.
