

ENVIRART

JUDGES! PRIZES!

WEEK 1, TERM 4

This is a **S.T.E.A.M.** task which requires students to use means other than scientific articles to communicate information. Students are invited to enter a piece of original artwork that depicts issues surrounding **Climate Change or Environmental Destruction**. This year, our gallery event will be even bigger, and you are invited to participate!

How to enter: Contact emails provided with accompanied submission form. Due date is on the 19th of September.
