

ECU ENGINEERING EXCELLENCE SCHOLARSHIPS

ECU's School of Engineering is offering \$20,000 scholarships to high performing Year 12 students who wish to study Engineering in 2021.

Nominations are now open. We are pleased to invite all secondary schools to nominate any high performing students who are interested in studying Engineering for these scholarships. Alternatively, interested students can self-nominate.

We would appreciate if you could bring this opportunity to the attention of relevant staff in your school so that they can convey this opportunity to your Year 12 students.

Attached you will find a brochure providing more information regarding this scholarship along with a nomination form. An electronic version of the nomination form can also be downloaded at www.ecu.edu.au/scholarships/details/ecu-engineering-excellence-scholarships.

The deadline for nominating your top students is **5:00 pm, Friday 8 January 2021**.

Completed nomination forms can be returned by email to engineeringexcellencescholarships@ecu.edu.au. Should you have any questions relating to the scholarship, please feel free to contact me.
