

For many years Murdoch University has offered a Portfolio pathway for students seeking to undertake study in creative courses. I am pleased to share that this opportunity has been widened to include a much wider range of courses with a selection rank of 70.

To be eligible, students will need to demonstrate their aptitude and interest via learning and results in areas cognate to the course of study being sought. We'll also be asking schools to endorse the student's application via a check sheet assessing their motivation, known ability and likelihood to succeed. https://www.murdoch.edu.au/docs/default-source/study/enabling-pathways/portfolio-entry-principal-endorsement-form.pdf?sfvrsn=4c5c61e5_4

Portfolio entry for a widened range of courses will be available for entry into Semester 1, 2021. A list of courses available can be found at the link above. Students can apply direct to Murdoch and submit the required Portfolio documents at Step 9 of the application process. Supporting documents will include the School Endorsement Form, most recent school grades / report, and the completed Portfolio Application form (which includes a personal statement). Other supporting documentation eg: awards / certificates of achievement, evidence of relevant extracurricular activity that relate to the requested learning area, can also be uploaded.
