

Curtin University's 2021 Scholarships

Scholarships are now open for year 12 students who wish to study at Curtin University in 2021.

John Curtin Scholarship Program

This program invests in future leaders who intend to use their abilities and passion to lead positive change in the community. High school principals can nominate students in the top 5% of the school's graduating year who can demonstrate academic excellence, leadership qualities and engagement in community service.

The application form is to be completed by the principal and nominated student and is available to download from the [scholarships website](#). This program closes for application on **23 September 2020**.

Principal's Recommendation Award

WA high school principals may nominate two students based on any of the criteria listed on the [scholarship webpage](#). The nomination form (see attached) is to be completed and submitted by the High School Principal by the closing date **6 November, 2020**.

Curtin Excellence Scholarship

Students who receive an ATAR of 96+, place an eligible course as their first preference through TISC and receive an offer of a place in our main round will automatically be considered for the [Curtin Excellence Scholarship](#).

Other scholarship opportunities

Curtin University is also offering a number of [merit](#) and [equity](#) based scholarships for 2021. We invite schools to share this information with their students. All scholarships are now open for application.

Please note that if students are shortlisted for more than one scholarship or award, they will be offered the scholarship or award of the highest value.

Please see our [Information for Teachers and Career Advisors page](#) for further information. Alternatively, you can contact the Scholarships Office at scholarships@curtin.edu.au.
