Hello!

We hope the start of Term 3 has been good for you. For us, the start of Semester 2 has been a delight to see students back on campus and a sense of almost normal.

It has also been fantastic to commence our visits to speak with many of your students and of course to finally catch up with you, in person.

Please see our updates for August 2020 and as always please do not hesitate to contact us if you have any queries.

We are continuing to take bookings to either speak with your students or give them a tour of one of our exciting campuses.

Scholarships

The **School of Engineering** and **School of Science** are once again offering their Excellence Scholarships to high performing Year 12 Students who wish to study Engineering or an undergraduate degree with the School of Science in 2021.

Please visit for more information:

[ECU Engineering Excellence Scholarships](#) valued at \$20,000

[ECU School of Science Excellence Scholarships](#) valued at \$15,000

WAAPA Applications for 2021

With the current climate we find ourselves in, the WAAPA application process for some of our courses has changed for the 2021 intake.

We encourage students to follow the [interview, auditions and folios](#) overviews for the applications process for the courses they wish to apply for and note the dates for when applications are to be completed by.

We advise that future students interested in applying for WAAPA should try to submit their applications as soon as possible so they can concentrate on their study's and preparing for their auditions.

Also check out the [ECU YouTube WAAPA Playlist](#) for fantastic videos highlighting every WAAPA course and how to prepare your audition for the Acting, Performing Arts and Music Theatre (soon to be added) courses.

Teacher Education in the South West

From 2021 the School of Education will offer the Bachelor of Education (Secondary) in the South West.

The following majors and minors are available;

- Biological Science
- English Education
- Humanities and Social Sciences Education
- Mathematics Education (minor only)
- Catholic Education (minor studied online)

Classical Music Auditions

Brave the Wave

Why would you study Music anywhere else?

Over 120 Classical Music students teamed up to perform two new original compositions, filmed entirely on their phones and all parts edited together by 2nd Year Bachelor of Music student Joey Eng.

Brave the Wave was composed by 4th Year Bachelor of

Music student Jonathan Jie Hong Yang and the final electronica piece, Flow, was composed by Maddie Ivy. Sound editing by Jonathan Jie Hong Yang.

Events for Aboriginal and Torres Strait Islander Students

Dreaming at ECU 2020

This event invites Aboriginal and Torres Strait Islander high school grounds to visit ECU's Mount Lawley campus and experience what ECU has to offer.

The day includes guest speaks, a variety of hands on activities, a look into our Kurungkurl Katitjin Centre, and a fully catered morning tea and lunch.

The day is lots of fun, and aims to excite students about university.

Date: 6th November, 2020

Registration: [here](#)

For more information, please contact futuresudentevents@ecu.edu.au

Bilang Bilang Program (Years 7 – 9)

This two day program run during the school holidays offers Aboriginal and Torres Strait Islander high school students the opportunity to get a taste of university life at ECU.

Students visit our Mount Lawley and Joondalup campuses to take part in a variety of engaging workshops.

Date: 1st & 2nd October, 2020

Registration: [here](#)

More information can be found on the Bilang Bilang program can be found [here](#).
