

From the Principal

As we head towards the end of Semester 1, who would have thought that as a state we are still dealing with the uncertainty of COVID-19. During this term, we have been very privileged. Students have been able to participate in excursions and incursions including lightning carnivals, the Nexus 2021 Dance Alliance and the Year 12 Ball. Such events provide numerous opportunities for curricular enrichment and for our students to actively display our school values of Respect-Unite-Excel.

I have had the privilege of attending a number of these events including the Nexus 2021 Dance Alliance and always enjoy their performances. This year was exceptional with the addition of the choir on stage during the Year 7 dance performance of 'A Thousand Years', a highlight thoroughly enjoyed by the audience.

The Year 12 Ball, themed 'Enchanted Forest', was held in the ballroom of the Rendezvous Hotel, Scarborough on Friday 18 June. It was a special night for all who attended. The students looked fantastic in their gowns and suits. There were lots of dancing and photo opportunities with special awards going to:

Duchess of the Ball - Mrs Sonia Sanchez
Duke of the Ball - Mr David Curtis
Belle of the Ball - Hope Baird
Beau of the Ball - Nathan Hamilton
Best Dressed - Mercy Zico and Doyo Doyo
Best Dancer - Sebastian Foran
Cutest Couple - Zara Isikli and Jonathon Samardali

Students have completed their Semester 1 program. Parents will receive their child's report via email by the end of this week and will be able to book a teacher interview (see below for more details). To allow for more meeting times for parents to talk to teachers, I have requested and gained approval from the Department of Education to alter the configuration of the school day on Thursday 22 July for the Parent Reporting Interviews, from 1.30pm to 6.00pm. Learning programs will cease at 12.25pm and students are to leave the school grounds. Transperth buses have been notified and will be able to pick up students at 12.30pm. Any students who are unable to go home will be supervised in the library.

I would like to thank the School Board and the P&C Committees for their ongoing support. Sincere thanks to staff for their hard work and care of our students. I wish everyone a safe holiday break.

SEN Planning

Balcatta SHS is currently in the process of planning for the implementation of targeted intervention for students identified as working below their year level in one or more learning areas. Students are assessed throughout Term 1 and identified through the mid-semester Interim Report process.

Following discussions, teachers will develop a SEN (Special Education Needs) Plan with specific goals for the student to focus on within the context of the class program. Strategies will be put in place to assist the student to achieve the goals and master the required skills. The goals will be assessed throughout the semester.

At reporting time, students requiring targeted intervention will receive a general report and they will also receive an extra report based on the progress made towards their specific goals.

If you have any questions about this process, please feel free to contact Cathie Bonner by telephone on 9345 8200.

Nexus 2021 Dance Alliance

On Friday 11 June our dance and choir students performed in Nexus 2021 Dance Alliance, an annual event presented by students from Shenton College, Cecil Andrews Senior High School and Balcatta Senior High School. The event was held at the Octagon Theatre, University of WA. The students involved in the performance have achieved high standards in movement education. The students, dedicated teachers and Perth dance professionals choreographed their performance. The program represented in this performance delivered excellence in both teaching and student learning. In these programs, students have the opportunity to focus on technique and performance, as well as dance history, kinesiology, theory dance, choreography and improvisation. The Nexus presentation offers the students experience in working in a professional theatre environment, and the chance to see peers from other schools in rehearsal and performance. As well as being talented performers, students in the dance program graduate with presentation skills, self-confidence, leadership skills, an ability to work in a team environment, a sense of rigour and discipline and the want to strive for excellence. All of these qualities learnt in the dance classroom are life skills which hold them in good stead for any choice of career.

Primary School Winter Carnival

A number of our Years 10 to 12 students proudly represented Balcatta SHS at a Winter Carnival held by our local intake primary schools. The students volunteered to umpire a variety of sports such as volleyball, soccer and netball whilst earning the praises of the local primary school teachers. Thank you to Jack Nixon, Jordan Dordieski, André Alvarez, Nathan Hamilton, Marina Minic, Gabby Velez, Tahlia Wells-Vasile and Vanessa Notis.

Education Support Program

It has been fantastic to see the continuing expansion of our new Education Support Program throughout Semester 1. Following the refurbishment of B Block, we now have access to several custom-fitted Education Support classrooms and the *Bev Dainton* Independent Living Skills multi-purpose room. Students have been engaged in regular cooking classes where they have been creating and sampling healthy versions of their fast-food favourites and have indulged in baking 'sometimes' foods such as chocolate brownies and birthday cakes. Learning to operate a washing machine and a clothes dryer, hanging out washing and keeping a kitchen clean are among some of the independent living skills practised throughout the week. Students have also practised their cooperation skills, working together to assemble a flat-packed bed and bedside table. This versatile room has now doubled as an art studio for our budding artists and we are looking forward to putting up some great pieces to decorate the rooms.
