### Year 11 and Year 12 Course Overview

The English ATAR course focuses on developing students' analytical, creative, and critical thinking and communication skills in all language modes, encouraging students to critically engage with texts from their contemporary world, the past, and from Australian and other cultures.

Through close study and wide reading, viewing and listening, students develop the ability to:

- analyse and evaluate the purpose, stylistic qualities and conventions of texts
- enjoy creating imaginative, interpretive, persuasive and analytical responses in a range of written, oral, multimodal and digital forms.

### Year 11 Course Structure

Unit 1 – Students explore how meaning is communicated through the relationships between language, text, purpose, context and audience.

Unit 2 – Students analyse the representation of ideas, attitudes and voices in texts to consider how texts represent the world and human experience.

### Year 12 Course Structure

Unit 3 – Students explore representations of themes, issues, ideas and concepts through a comparison of texts.

Unit 4 – Students examine different representations and perspectives to further develop their knowledge and analysis of purpose and style.
