We will still deliver items after these dates as quickly as possible, however, it will be difficult to get them to you in time for the start of school.

Delivery Service – All orders will be sent out via Australia Post. A specific time of delivery cannot be requested. In the event no-one is available to receive the delivery, the goods will be taken to the nearest post office for collection and a notification card will be left in your mailbox.

Delivery Guarantee – Orders placed **before 9 December** will be delivered to your home by **24 December**. Orders placed **before 5 January** will be delivered to your home prior to the commencement of the school year. Orders placed after this date cannot be guaranteed to arrive on time.

Delivery Charges – Orders over \$55 including GST placed **before 1 December** will be delivered **free of charge**. All other single orders including GST will incur a \$13.95 delivery charge for single packs and \$9.95 for each multiple pack.
